Dear Parent/Guardian,

## SATURDAY 9<sup>TH</sup> MARCH 2019 - MOVE IT DANCE EXHIBITION AT THE EXCEL, LONDON BY COACH WITH THE ALLSTARS

I am writing to you with regard to the above event. I am proposing to arrange a day trip to the Excel in London by coach. I have prepared the basic information for your attention.

This trip is open to Allstars Academy Street Dancers under the age of 21 only.

The coach will leave Norwich early on Saturday 9<sup>th</sup> March - the time and place will be confirmed in due course. All children will need to bring with them a **Breakfast pack-up** and a **Lunch pack-up** and something for **tea** plus any additional snacks. They are not permitted to take any fizzy drinks with them or chewing gum, they should bring a minimum of 2 bottles of water along to ensure they remain hydrated, as they will be attending dance workshops and dancing a large proportion of the day. They will need to bring a rucksack with them for the day; no handbags are to be brought along. All outside winter coats will need to be left on the coach and are not to be taken into the Excel.

There is a variety of dance stands within the Excel whereby the children will have the opportunity of purchasing various goods. I suggest that the spending money can be given to each child; however I would suggest that no more than £30 per child is given and again they will need to take responsibility for looking after their own money. With regard to clothing for the day:-

Please note Jeans are **not** to be worn!

### The Girl's uniform:-

- Allstars Hoodie;
- Allstars T Shirt;
- Black Leggings or Black Joggers;
- Hair to be Plaited or tied up tightly;
- Make-up can be worn;
- No jewellery - stud earrings only.
- Rucksack

### The Boy's Uniform

- Allstars Hoodie;
- Allstars T Shirt;
- Black or Grey Joggers.
- No jewellery - stud earrings only.
- Rucksack

Once we are in the Excel the Allstars Hoodies can be removed and they will need to go into the child's rucksack, they are not to be worn around their waists. I will arrange for all children to be allocated into groups of 4 and they will need to stay together for the entire day, this includes toilet breaks.

Once the workshop times have been published I will of course provide a full and precise timetable for the day.

Your child will be permitted to bring along their mobile phone ( with my number in it) but they will need to take responsibility of it themselves for the day and the Allstars Dance Academy will not accept any responsibility for any lost or damaged goods. I will be asking each parent to sign an acceptance of the terms for this day trip which will incorporate a disclaimer together with full details of Emergency Contact details.

During the course of the day recordings will be taken within the exhibition and again I will need to seek your confirmation that this acceptable to you, this will be incorporated in the Acceptance/Booking Form.

At this stage I cannot let you know the cost of the day trip but once I know how many pupils are interested in attending then I will be able to provide an estimate of the cost for the trip. I would therefore ask that if your child is interested in coming along then please may I ask that the slip at the bottom of this letter is completed and returned to me as soon as possible.

**Keeping the cost of the trip down the children are going to fund raise please can you help !!**

Best wishes

Sharon
